.....And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid.

And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.

For unto you is born this day in the city of David, a Saviour, which is Christ the Lord.

ANNOUNCEMENTS

All Relief Society Sisters are invited to attend the Relief Society Birthday Party & Visiting Teachers Convention. Time and place will be Stake Center 1:00 pm.

Scout Troop 295 of our ward will conduct a monthly newspaper drive on the second saturday of each month. The first pick up will be on April 8. Please tie the bundles and place them on the curb or in the driveway by 10:00 am. If we miss you or fail to pick them up by noon please call 272-0283.

Recipe

Take a handful of rough new clay,
Mold into it a little brown earth,
And the twinkle of a distant ster.
Add the ambition of muschief,
The mischief of ambition, time,
And a pinch of reality.
Add the curiosity of a kitten,
The playfulness of a puppy,
The predictability of the weather,
And the energy of an atomic pile.
Now give it the form of a Boy.
Add to it the uniform and principles
of Scouting and the love and devotion
of a parent. Mold it, shape it;
Place it conspicuously near your heart.
Now watch with pride, as it becomes a Man.

Have you ever given something to someone. I'm sure you have. We all know the gift of giving but we need to know the gift of receiving also. Don't let this shock you because you have been told that it is better to give than receive. Well this is true. But the gift of receiving I'm going to talk about is Gratitude. We all are Gratefull for many things. One way we can express our Gratitude is to tell someone your gratefull or thankfull for what they do or did for you. This past Christmas, a great time of giving we received a thank-you for something we gave to someone. Doesn't it make you feel good? At our Christmas I received many things and tried to remember to say Thank-you for something. One thing was a year ski-pass.

As I was deciding on a Topic I asked my Grandmother what I could speak on. "I always like to hear people talk on Gratitude." was her reply. She also related some of her experiences where she was gratefull for many things. I'm sure we can all be gratefull for something. Outside of Holidays

we can simply be grateful
for our homes, family, and a
knowledge of the true gospel. I
pray that we may recognize
these things and express our
Gratitude.

I ask and say these
things in the name of
Jesus Christ Amen.
