Receiving My Call Written October 13, 1976

Event – July 27, 1976

The second day at work; grounds crew or gardener for Beehive House and later Temple Square. I was at lunch in the Church Office Building cafeteria with my supervisor when I suddenly was met by my father. He had come from his work and home with a letter which contained my mission call. I casually opened it, pretending not to be too excited. I read, “Called to serve in the Korea, Seoul Mission.”

“Korea!” I thought, and spoke, “Oh, it’s to Korea.” It was late July, but I wasn’t to leave until October. I thought that day would come slow. I was anxious!

Released from My Call

Event – November 1, 1978

I just had an interview with President Godfrey and he said, “I give you an honorable release for the Church.” I cannot believe that it has been 2 years. I cannot understand. I thought it was lacking in some ways. Pres. Hankins seems to be a great spiritual leader. The advice was good and repeated.

I must be patient and loving. It is hard to just slow the gears down and try to start “normal” life again. But I imagine I can do it. I’m anxious to see friends and old buddies and decide what to be doing. Everyone sure seems to be living in the world, but they are still young. Americans are different. My thoughts and heart are in Korea. I don’t know for how long. I’m overwhelmed.
